

## Jane Gosney Commercial Artwork

[www.janegosney.co.uk](http://www.janegosney.co.uk)

*Transparencies is a display of images sized to appeal to the private collector*

**Jane's artwork is also for commercial clients : interior designers, architects and landscape designers for projects in the Public Realm**

- The site specific images are based on photographs from the locality
- State of the art software allows digital reproduction and modification
- Each artwork can be bespoke to size and medium
- The work is reproduced on canvas or translucent acrylic sheet
- Large format canvas pieces can be interior wall art or banners
- Designs can be weatherproof for exterior applications
- Back lit opal panels are ideal for retail and leisure projects
- All images can be reproduced with a range of street furniture
- Street lights with banners, seating and wall panels suit Public Spaces
